Eighth grade float didn't quite make the grade

The eighth graders split up this year. Half of the class cooked and sewed while the other half learned about agriculture and woodworking.

They also participated in making a great Homecoming float, "Test the Best."

This year the eighth graders were more in the swing of things by already knowing the routine of changing classes.

The freshmen began the year with Mr. Strand teaching them Driver's Ed for one quarter of the year. Everyone finally passed the driver's test. For the next three quarters Mr. Hughes had his hands full trying to teach them the techniques of typing.

The freshmen showed great originality with their float, "A Prayer for the Panthers", but it didn't quite make the top three.

They also participated in the Christmas volleyball tournament. A good effort was put forth, but they didn't advance to the finals.

The sophomores this year started out great. During Homecoming the class prepared a float titled "Detect the Pan there" and won the second place prize. Also the Homecoming dummy and bonfire were built by the sophomores but not used due to the wet weather.

The sophomores won third place in the annual volleyball tournament. Wendy Jacobson got a wonderful Christmas present of \$50 from FFA by picking the right square for Chicken Bingo.

Missing a few classes, the sophomores took two fieldtrips to Mayville. The first was to view fossils and the second to observe dissection of dead cats.

Winding up the year, the sophomores picked out their class rings and anxiously await them.

Choir Works Hard On Sight Singing

The choir followed a skills program this year through a course called the "Independent Singer". Dr. Charles Buzicka from Mayville State College came to give many helpful suggestions to the choir. They also performed at the bank before the annual Christmas concert.

This year the choir worked hard on rhythmic skills and improving sight singing. Tone quality and diction were also stressed.

An important accomplishment for the choir was that two small ensemble groups competed at state level! Good Work!

Students being recognized for special achievements were as follows:

Librarians-Student Council

Photo Club

Depth of field. Solarizations. Burning. Lighting. These terms may confuse many people, but not the photo club. They were exposed to these terms and many others throughout the year. Mr. Rieder first instructed them on how to take good pictures with their cameras. Then, everyone was given a roll of film and sent out on an assignment. Next, they developed the film and prints and also received another assignment for the next meeting. The students had a lot of fun and learned something, too.

F S's student council began their busy year with an exciting homecoming dance with Super Nova, a record show, keeping up the beat. They also sponsored the movie, Karate Kid, on Homecoming Day. The council then planned the annual volleyball tournament before Christmas vacation, in which the juniors became overall champs, defeating even the teachers. The council, along with the FHA, co-sponsored the semi-formal Valentine's Dance with Louis Creed supplying the excitement and romance. The council also supplied a lunch after the Rolla basketball game for players and family. In addition, the council bought banners to be placed in the gymnasium for the appropriate school champions and sponsored the choral clinic. Also on the agenda was planning the end of the year picnic.

Go get some quotes for page fifty-four. I'd like it finalized by tonight. That was one of the many things someone would have heard as they walked past the annual staff room during one of the meetings.

Putting the yearbook together was not an easy thing to do. A good staff has a lot to do with it. They work long hours on meeting nights and some worked studyhalls to complete their page assignments. Editor Katherine Asp and Advisor Mrs. Paczkowski thank everyone for their time and ideas they put in to make this yearbook possible.

Events 1986

Walking down the halls Homecoming Week provided FSHers with a colorful array of dress. Monday started the week with Come As You Want Day. Tuesday followed with 50's and 60's Day. Brilliant colors of Hawaiian Day brightened Wednesday. Thursday was Red, White, and Gold Day, a day filled with anticipation for the bonfire. Unfortunately, it was canceled because of the weather. Friday was Dress Up Day, and the students saw "The Karate Kid." During half-time of the homecoming game with Page, Rick Haraldson was crowned Homecoming King, and Wendy Serr was crowned Homecoming Queen. After the game, students enjoyed a dance sponsored by the student council.

This year's academic olympic participants were Gary J., Larry J., Michelle T., Brent G., and Charles A. The competition was held in Halstad, Minn.

First Year Speech Team Fares Well

The Finley Sharon speech team started their season in February. For an inexperienced team the Raiders did well in their first two invitational meets in Grace City and in Carrington by bringing home seven medals. Finally the Raiders team competed in the Regional meet at North Central. The team did very well but didn't do well enough to go to state. Wendy Jacobson placed third in Dramatic Interp., Michelle Carlson placed fourth in Speech to Persuade, Cindy Meldahl placed fourth in Radio Broadcasting, and Trista Anderson placed fourth in Speech to Inform. Individually the members competed in these categories: Wendy J. - Dramatic Interp., Extemporaneous Interp., Wendy S. - Speech to Entertain, Dramatic Interp., Michelle C. - Speech to Persuade, Trista A. - Speech to Inform, Dramatic Duo, Tanya G. - Poetry Interp., Dramatic Duo, Cindy S. - Humorous Interp., Dramatic Duo, Sean J. - Radio Broadcasting, Cindy M. - Radio Broadcasting, Kate A. - Poetry Interp., Extemporaneous Interp., Susan B. - Humorous Interp., Serious Interp.

The detectives had a preview scene to help establish their characters

The main part of the play took place in the Shropshire Manor, the home of Abigail Shropshire. The legendary Phantom that was lurking in the manor had caused an uproar of the relatives, so the detectives were called in to help capture the Phantom. David James came back to protect Marie, but was wrongly arrested. At the party the lights went out, and David, who escaped from jail, whisked Marie away to safety while the schemers were caught. Three phantoms were revealed and Bruce (Barrota's buzzard) found the real phantom

Poem to the Seniors

On winged feet the four years pass
And now we honor our Senior Class
Beyond these walls, this town, this state
A whole new world now lies in wait
You've much to learn, we're often told
Wisdom to gain before you're old
But tonight - before you turn and go
Your separate ways, as well we know
Enjoy this place, these hours, this school
In memory they'll return to you

A unique thing happened to Class Night in 1986. We didn't have it. The school was put under a measles quarantine. Because of the quarantine, many events were postponed, but Class Night was cancelled. The administration decided then to have an Awards Day instead. This meant there weren't senior skits, only an awards ceremony.

Awards were given for track, newspaper, annual, speech, band and chorus, accompanists, librarians, office help, perfect attendance, National Math, I Dare You, Constitution, and the Honor Roll Certificates.

Mr. Pat Rieder received a plaque for being Region 3 Girls' Track Coach of the Year.

Norwegian Exchange Student

Gro enjoys being on State Championship team

Gro and Michelle T. pose for 50's and 60's Day

Gro dresses in traditional dress

Gro Ringheim, our FS Norwegian exchange student, enlightened the lives of her classmates and friends and enriched the Thykeson's, her host family. Gro seemed to easily blend in with school activities, becoming active in both FHA and basketball, but had to become accustomed to the hectic schedules of FS students

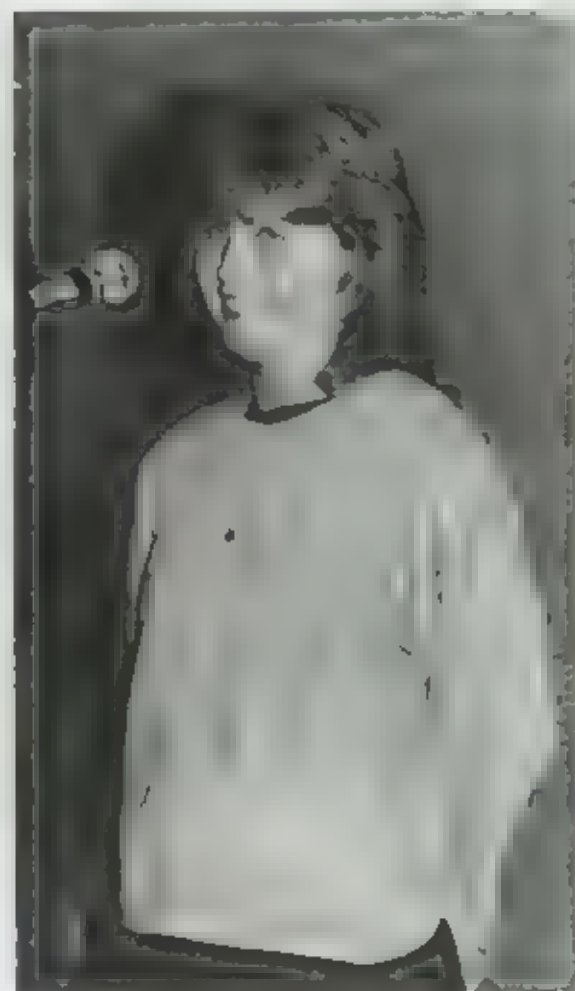

Gro, daughter of Bjorn Ringheim and Nina Neumann, was born in Voss, Norway, Dec. 31, 1967. Gro lives with her mother, a high school phy. ed. teacher in Bergen. She spends weekends with her father, a dentist in Voss.

During the winter she enjoys skiing at their cabin in the mountains. At their summer home on their own island, she relaxes and enjoys water skiing. She also enjoys going to movies, listening to music, going to discos, traveling, and spending time with friends and family.

When she returns to Norway, Gro will have one year of high school left, specializing in business. She will continue playing basketball, which isn't an extra curricular activity in Norway. They play for private teams or clubs, and the season lasts all school year, playing games on weekends.

Gro has enjoyed her stay in N. Dak. but has missed her family, friends, and the mountains. FS knows how she has felt, for FS will also miss Gro.

Making it into the state playoffs was one of the two goals the football team achieved during the 1985 season. The other was being named co-champions of the Tall Towers Football Conference with Hope. The team finished the season with an 8-2 win-lose record. Coach Hughes recognized Rick Haraldson, Kraig Lerol, DuWayne Olson, and Larry Jacobson for their leadership.

The most exciting achievement a basketball team can accomplish is winning the state title. This year FSH's girls' basketball team did just that. Due to outstanding leadership from the captains and excellent coaching, they controlled the game and beat New England St. Marys to capture their first state title. Ending the season 23-2, the girls deserve a big congratulations.

Jr. Varsity Enjoys A Successful Season

Coach Tollefson, Laura Baesler, Cindy Schmaltz, Lisa Carlson, Michelle Carlson, Susan Baldwin, Kari Dekker, Trista Anderson, Sandy Leslie, Student Manager Tanya Gullicks

"This year's B-squad, although few in numbers, turned in an excellent record of 10-4 due to our hustling the more experienced opposition," commented Coach Tollefson. He added that it was a very enjoyable season because they were always in contention due to the constant determination of our outstanding squad.

The Junior High Girls' Basketball team got off to a fresh start this year with a new coach, Mrs. Judy Baesler. The team's win-loss record was 5-4. They worked on the basic fundamentals of basketball to prepare them for junior varsity.

The boys' basketball team had a good season this year finishing with a 12-9 record and taking third in the district. The whole team worked especially hard this year and with an effort like they gave during the season continuing into the off season, they will likely be one of the top teams in the league. Since they lost only two seniors, the Raiders will be looking forward to a winning season.

JV Wins "B" Squad Tournament

Front: Shannon Bergstrom, Corey Bergstrom, Lynn Leslie, Chris Gebeke. Back: Jerry Storebo, Ray Petersen, Randy McKay, Coach Rieder, Jason Netland, Mark Lund, Kyl Bergstrom.

The highlight of the 1985-1986 JV boys' basketball team was winning the B-squad tournament. According to Coach Rieder, the team's goals were to show improvement in the fundamental skills and to win the B-squad tournament. Both of these goals were accomplished with the win of the tournament and with the vast improvement in team defense. Although the team had a few disappointing games because of poor shooting, Coach Rieder stated, "Most of the players showed improvement in their defense, dribbling, and shooting abilities."

Jr. High Prepares For Varsity Basketball

Front: Jeff Lund, Brian Jacobson, Roger Petersen, Eric Hennickson, Rick Rysavy, Chad Good, Ryan Monson. Back: Coach Hughes, Jeff Netland, Patrick Devlin, Scott Hopwood, Donny Coughnour, Bryan Olson, Jeffrey Babinski.

The team worked hard on basic fundamentals to prepare them for varsity basketball. They ended the season with a 7-2 record and the hope of playing in a tournament next year. This year will always be remembered because of the McVie game where four of the starting five had to leave the game because of sickness. Three players had been too sick to come to school or the game.

The track season began with a new head coach, Mr. Rieder. Progressing through the year, both boys' and girls' teams, including Jr. High, went to eleven meets. Eight girls and eight boys earned their letters, and two relay teams and four individuals qualified for state. Those events going to state are 800 m. open and 400 m. open (Karen N.); 800 m. relay (Lisa S., Laura B., Karen N., Kari G.); 3200 m. relay (Kari D., Karen N., Kari G., Michelle T.); 1000 m. run and 3200 m. run (Kari D.); and 100 m. hurdles and high jump (Deb H.).

Rob Haraldson qualified for state from FS in the 110 m. hurdles.

At the regional track meet the girls' team took third. Mr. Rieder was named Girls Coach of the Year of Region 3.
